

**BRIEF PROFILE
OF**

COLLEGE OF AGRICULTURE, SUMERPUR (PALI)

The College of Agriculture, Sumerpur (Pali) was established under Swami Keshwanand Rajasthan Agriculture University (SKRAU), Bikaner (Rajasthan) in the year 2012 to address the issue of shortage of trained manpower (Human Resource) in the discipline of Agriculture Science in the Marwar and Godwar region of Rajasthan. The College of Agriculture, Sumerpur, was inaugurated in the existing building of ARSS, Sumerpur on 4th August, 2012. Presently the college is running all for batches of B.Sc. (Hons.) Agriculture i.e. Part-I to Part-IV successfully besides three batches of graduates has passed out during last three years. Now the college is shifted in the New College Building which was inaugurated by Hon'ble Chief Minister, Govt. of Rajasthan on 24th April, 2018.

The college campus is spread over in an area of 20 hectares which includes research farm, instructional cum demonstration farm. The course curriculum of B.Sc. (Hons.) Agriculture degree programme is updated and implemented as per the ICAR-IVth Dean's Committee recommendations and from the academic session 2017-18 the college adopted the Vth Dean's Committee recommendations. The college is fully committed to impart the best quality education in the areas under its jurisdiction which is well reflected through the outstanding performance of students in the ICAR-JRF, Non-JRF, BHU and state level joint entrance test (JET) for Pre-PG examination securing admission in the advanced institutes for higher education across the country.
